HTML5 Media Tags(Audio and Video)

Practice Exercise

- ✓ You are working in some company as HR. you have been assigned a task to arrange department hierarchy example: employee working under some manager.
- ✓ Display Student Report Card, Which contains field like Name, RollNo, Year Of Passing. Different subject marks should be displayed with its grade.

- ✓ Display Student Report Card, Which contains field like Name, RollNo, Year Of Passing. Different subject marks should be displayed with its grade.

Assignment Exercise

- ✓ Design a form for storing employee details. (Employee name, age, Gender, designation, salary, location, Email ID, Date of joining and contact number)

Module 1

Age should be a number

- Each field should contain value
 - Email ID should be in proper format
 - Date of joining should be in date format
 - Location should be in the drop down list
 - Use radio buttons for Gender
- ✓ Create personalized resume, which must be attractive. Use all the HTML tags and add one short video of your project done into resume.
